

THE GORE DEVELOPMENTS LIMITED SCHOLARSHIP AWARDEES 2013/2014

Antoinette Harris is pursuing her Bachelors of Science in Banking and Finance **(3.74 GPA)**

"My second year of study was not only possible because of Gore Developments as they financed it, but also because they gave me the drive and encouragement to put my best foot forward. At the end of my degree programme I plan to become an efficient and effective leader of our country's financial sector. The Gore Developments Scholarship definitely provided me with a stepping stone toward my long term goal."

Corey Linder has completed his Bachelor of Science in Management Studies (General) with Distinction **(3.81 GPA)**

"Getting the scholarship changed my entire outlook on my academic journey. It increased my belief in myself and my abilities. The scholarship enabled me to complete my degree programme in the time I planned to and with the class of degree I wanted to achieve. It feels amazing to have had Gore Developments Limited invest in my future."

Shavonique Morrison is pursuing her Bachelors of Science in Tourism Management **(3.85 GPA)**

"Knowing that my tuition was paid gave me a sense of freedom. I was able to study unhindered and without any doubts that I would be barred from sitting my examinations. It allowed me to be more confident in pursuing my goals. I am truly honoured that I was selected as a recipient of the Gore Developments Limited Scholarship."

Oswald Robinson is pursuing his Bachelors of Science in Management Studies (Accounting) **(3.92 GPA)**

"I am grateful to have been selected as one of the recipients of the Gore Developments Limited Scholarships. They can be assured that they made a good investment. Being a recipient of this scholarship has helped me to continue doing well and doing the things I like. I hope my hard work and dedication has made you feel delighted in knowing that you are helping students with the right mind-set."

Serena Harjani is pursuing her Bachelors of Science in Economics **(4.05 GPA)**

"Being awarded a tennis scholarship naturally served to encourage and push me to practice the sport even more and to give it the attention it required. This scholarship helped to implement and improve a training programme here at UWI which the entire tennis team and I are most thankful for. Financially, this scholarship has eased the burden that comes with tertiary education. I was more motivated to do well in school and as a result my GPA has increased over the past year."

Theophilus Nelson is pursuing his Bachelors of Medicine and Bachelor of Surgery (MBBS) **(3.13 GPA)**

"I would like to thank Gore Developments Limited for granting me the UWI Tennis Scholarship. Words are insufficient to express how much the scholarship has facilitated the continuation of my education and has aided in providing added motivation to perform well in all spheres of my academic life. Athletically, I advanced to the quarterfinals of the University of Technology's Invitational Tennis Tournament and was undefeated in the intercollegiate competition in both singles and doubles. With this said I would like to thank Gore Developments Limited once more for providing me with a lifeline."
